Building a Better Future
The United Latinx Fund (ULF) is a philanthropic organization dedicated to enhancing the quality of life for Latinos and other groups throughout Los Angeles County. With generous support from workplace giving campaigns, ULF’s Community Grants Program funds nonprofit organizations that deeply impact the communities they serve. For nearly 30 years, ULF has invested in more than 600 nonprofits.

Strengthening Communities
The United Latinx Fund empowers organizations that elevate the quality of life for Latinos, the largest and fastest growing population in Los Angeles County. ULF currently focuses its grantmaking on:

Education (i.e. family literacy, after school enrichment, S.T.E.A.M.)

Health & Wellness (i.e. childhood obesity and diabetes prevention, nutrition education and physical fitness)

Jobs/Housing (i.e. improve job readiness, increase the number of living wage jobs & make housing more available)
